

PRODUCT INFORMATION
HYCUT – SYSTEM

HYCUT SW

32, 68 and 220 are high performance machining oils based on synthetic ester oils, recommended for the usage as slideway oils. The product range features excellent lubricating and wetting action as well as outstanding adhesive power.

BENEFITS

- Outstanding adhesive power on slide ways
- Compatible to the HYCUT – system, therefore no tramp oil problem
- Very good wear protection due to high lubricity performance
- Self emulsifying
- Improve industrial hygiene and clean machines
